Procedure

1. Before the class, prepare one copy of the **sample paper** from the handbook for each student. You can download this from the **free resources** on the Cambridge English website.
2. Write the following words on the board. Check students understand the meaning of the words and ask which they think will be tested in A2 Key

Reading skills Writing skills Spelling Grammar Functional English Vocabulary

3. Explain to your students that the A2 Key Reading and Writing paper tests all of these areas, and that they are now going to look at a sample paper to find out more about the test. Explain that they don’t need to do the tasks; they just need to look at them and answer the questions about them.
Timing: 5 mins
4. Give students the sample paper and the **Student handout**. Ask students to work in pairs and answer questions 1-3. (See **Answer key**)
Timing: 7 mins
5. Go over the answers as a class then refer to the words on the board again. Ask them: Which part tests Reading skills? Go through all the areas like this.

Answers

Reading skills: Part 1, Part 2 and Part 3

Writing skills: Part 6 and Part 7

Spelling: Part 5, Part 6 and Part 7

Grammar: Part 6 and Part 7

Functional Language: Part 1 and Part 5

Vocabulary: Part 4 and Part 5

(Students may have alternative answers to the above and these may be correct – for example knowledge of vocabulary and grammar is important for all parts even if it is not being directly tested.)

Timing: 5 mins

6. Ask students to work in pairs again and complete section 2 of the handout. Go over the answers with the whole class. (See **Answer key**)

Timing: 7 mins

7. Divide the class into three groups: A, B and C. Students don't need to move, they just need to know which letter they are. Explain that they are going to look at the topics that they may find on the paper. Ask them to work individually to do section 3 of the handout. Explain that they can choose more than one topic for each part.

Timing: 5 mins

8. Ask students to stand up and to make new groups of three. Each group should include an A, a B and a C. They should share their answers from section 3 with one another.

Timing: 5 mins

9. Go over the answers with students. Explain that all the topics on the test will be familiar to them and within their normal experiences. (See **Answer key**)

Timing: 3 mins

10. Put students into small groups, give each one an answer sheet, and let them practise completing it using a pencil, not a pen. Remind them that when they take the Reading and Writing paper, they do not have extra time at the end to transfer their answer from the question paper to the answer sheet.

Timing: 3 mins

11. Answer any questions your students may have about the A2 Key Reading and Writing paper.
