Candidate Identification form (aged 17 and under) – instructions to the CEM

Candidates must provide suitable ID for taking an exam (except Starters, Movers and Flyers). When candidates register to take an exam, check if they have suitable ID. If a candidate is aged 17 years or younger and does not own [suitable ID](#), they can use this form instead as proof of identity to the supervisor/invigilator on the exam day. Centres need to make sure invigilators are aware of this arrangement for any candidates using this form.

Explain to the candidate that they must complete Parts A and B before the exam, and bring it with them on the exam day, or they may be refused entry to the exam and may not be entitled to a refund.

Explain the following instructions to the candidate:

Take one recent passport-style photo (head and shoulders) of yourself and attach/[insert](#) it in the space provided in Part A. This can be an actual passport photo, or a full colour digital photo, as long as it is clear/detailed enough. The photo must clearly show your face, like in the examples below.

Complete the form with a witness (a person of authority) and ask him or her to complete Part B. This could be your school principal, your doctor, a police officer, a religious representative, your employer, or any responsible adult who is not a relative but has known you for some time.

You can show the witness the complete document to reassure them of its purpose.

You must then bring the completed form to your exam on the day. **If you cannot show it on the exam day, you will not be allowed to take the exam.**

All sections must be completed and a photograph attached before the document is considered valid. This ID is valid for 1 year after the date in Part A.

On completion:

- **Parts A and B** are to be kept by the candidate.

On the exam day:

- **Parts A and B** must be brought to the exam by the candidate.

After the exam:

- **Parts A and B, with original photograph attached**, must be given back to the candidate or destroyed.
